### Life Group Discussion Questions

1. Based on #1, above: Treasure Christ above everything. Do you value anything in your life as more valuable than Jesus Christ? Here, Peter provides something "better" than silver or gold. Do you treasure money more than Jesus? Or good health? Respond to this statement: it's better to be sick/broken with Jesus than to be rich/whole without him.
2. Based on #1, above: Healing is from God, but healers (today) are not. The Apostles did "wonders" in that day to prove they were from God and spoke in Jesus' name. Today we have the Word of God to authenticate true teachers. Describe how you are seeking God for wholeness. Describe how he himself is faithfully making you whole.
3. Based on #2, above: Your highest identity is that you can minister (via spiritual gifts) "in the name of Jesus Christ of Nazareth." That is a higher identity than husband, wife, son, daughter, cancer patient, caregiver or any other. As you go out from here, you are called to minister to people in the name of Jesus. How are you learning to faithfully step into this identity?
4. Based on #3, above (and the overall context): We should expect persecution when we insist that we are ministering in the name of Jesus Christ. The world will accept our "love" and our "alms," but they increasingly reject Jesus. Can you imagine being arrested for calling out Jesus' name? Or released if you promise to stop using his name? Are you ready for this?
