### Life Group Discussion Questions

1. Based on #1, above: We do not doubt that God does miracles today. However, we examine claims of miracles because the evil one often tries to counterfeit or imitate God’s power. Where there are counterfeit miracles there are counterfeit prophets. True miracles from God come to prove the identity of Jesus Christ and increase the ministry of his Word. Discuss.
2. Based on #1, above: God has all the authority in Sheboygan, Milwaukee, Chicago and Washington, DC. He will cause his Word to prevail mightily as Jesus is proclaimed “Messiah,” “Anointed,” “Reigning King.” In what ways is your confidence in the authority of God growing, despite the presence and publicity of false claims and weak imitations?
3. Based on #2, above: There are many religious, superstitious, 5-minutes-off-the-hour, itinerant ministers of a false gospel present in the world today. Paul did not concern himself with these false ministers. How did these false ministers fall? How will they fall in our generation? What should faithful ministers be focusing on? (NOTE: proclaiming Jesus the Messiah!)
4. Based on #3, above: What challenges are you facing in ministering the Word today? Is there anything intimidating in the ministry to which God has called you? How are you overcoming that intimidation? What is the ultimate result of faithful Christ-centered ministry (20)?
5. The name of the Lord is lifted high forever. Discuss.
