

# First Love: Becoming a Woman After God's Own Heart

First Love: Becoming a Woman After God's Own Heart – David Through the Psalms is a discussion-oriented Bible Study focused on growing in our knowledge, love, and intimacy with Jesus. Using varied bible study techniques, we will concentrate on what it means to become a woman after God's own heart. Each lesson will focus on a different psalm and the history of David's life surrounding that psalm. The small amount of weekly homework will emphasize interacting with God around the psalm we are studying. The format of the study will begin with group discussion of the previous week's lesson followed by a short teaching to prepare us for the next week's psalm. Beginning on Wednesday, September 12, join us each Wednesday morning 9:30 to 11:30am. All ladies are welcome. Child care will be provided. Cost \$20.
