Follywood starts tomorrow! Pray for the staff and for each child to learn to be a light for Jesus.

FOR THE CHURCH FAMILY

If you are a homeschool family interested in receiving information about **HEARTH**, please email Darcy T.

Remember to pray for the **Missions Committee** as they are making missionary prayer needs known to the congregation and organizing the Missions Conference. Members include: Juan E., Steve E., Pastor Jon MacDonald, Stan M., Lyn N., Dennis R., Heather T., and Brenda V.

The current issue of **Glimpses** is available in the Welcome Center and church office. This month's issue features George Washington, who believed religion and morality were pillars of the new nation.

We will be making an **update to the Military Wall** in early July. If you have any changes to the information for the current members, or if you would like to have your immediate family member added to the wall, please contact Briana in the church office (briana.r@e-free-family.com).

New Director of Children's Ministries

The Children's Ministries Search Team is very pleased to introduce Gwen MacDonald as the new Director of Children's Ministries, effective July 1, 2018. For those who were not present when she was presented to the congregation on Sunday, June 17, below is a short bio to get to know her a little better.

Gwen has been passionate about children being nurtured in the Lord since 6th grade, when she first served in the nursery at her parents' church. In her role as assistant to the children's ministry directors at her church in Illinois, she supervised and created training materials for volunteers, adjusted curriculum for classroom use, and planned community outreach events. Gwen also served as a core team member for a children's ministry conference, managing the budget, supervising registration, and assisting in hospitality and speaker management.

Gwen received her BA in Children's Ministries from Moody Bible Institute, and most recently served as the lead teacher in a local daycare where she created and implemented weekly lesson plans, and assessed each child for physical, social and motor development.

We are excited for Gwen to join our ministry team and look forward to seeing how God will use her to help multiply committed followers of Jesus Christ!
