

Titus 2 Groups

It's our earnest hope and prayer that women will enter into relationship with other women for the purpose of knowing God more deeply and glorifying Him together. Titus 2 Groups are intentionally designed with that purpose in mind. Each Titus 2 Group will consist of one mentor and three or four other ladies meeting once a month (September through May) to grow in a particular topic. Mentoring is simply "to prepare God's people for works of service" (see Eph. 4:11-13). Susan Hunt describes it in the following way: "When a woman possessing faith and spiritual maturity enters into a nurturing relationship with a younger woman in order to encourage and equip her to live for God's glory. Giving birth biologically or being of a certain chronological age are not prerequisites for spiritual mothering."

We all need to grow in our walk with the Lord. If you long to walk with an "older" woman in the faith and experience the benefits of having someone pray for you, encourage you, and dig into the Word with you, this is your opportunity! We strongly and lovingly encourage you to take advantage of this opportunity. If you have never been in a formal mentoring relationship, this may serve as a model for you to mentor other women. We hope that as more and more women are mentored, they will be faithful to pass on what they have learned to others.

Watch for registration details in September!
